

**Johns Manville**

**Sentry™ FR**

## **The New, Affordable, Fire-Resistant Solution**

Johns Manville's new mattress FR border protection is a high quality, high loft, non-woven fabric. Sentry FR provides a softer, bulkier, high-end look to your mattress while still remaining extremely affordable.

### **The Advantages of Sentry FR**

- Inherently fire resistant, does not require toxic fire retardants
- Naturally white, for a "clean" appearance
- Lofted non-woven fabric provides excellent "fill power"
- Your affordable FR solution

### **An Environmentally Smart Product**

- Recycled content of 25%
- Made without added formaldehyde for a better indoor environment

### **From Johns Manville, the Brand You Trust**

- Backed by the strength of Warren Buffett and Berkshire Hathaway
- Over 150 years of dependable quality products
- International manufacturing facilities, world-class capabilities
- State-of-the-art research facilities creating innovative, new non-wovens
- Dedicated to sustainable manufacturing

This product was designed for mattress and box spring *border use only*. It is not intended for use in the top or bottom panel of a mattress or box spring.
